Dear Ms. Gaffigan:

In accordance with paragraph 16 of the February 1, 2006 Administrative Consent Order (ACO), between Shieldalloy Metallurgical Corporation (SMC), TRC Companies, Inc. (TRC) and New Jersey Department of Environmental Protection (Department), SMC is notifying you as the Department's point of contact for the ACO of the subject Industrial Site Recovery Act (ISRA) triggering event.

Enclosed please find a copy of SMC's May 15, 2006 letter with the General Information Notification (GIN) and also its Remediation in Progress Waiver Application Request. It is our understanding that SMC's and TRC's continued compliance with the requirements of the ACO will meet and fulfill all of the regulatory requirements of the Industrial Site Recovery Act ("ISRA"), N.J.S.A. 13:1K-6 et seq., and the ISRA regulations, N.J.A.C. 7.26B-3.2 et seq., both administratively and technically.

If you have any questions regarding this matter, please do not hesitate to contact me at (856) 692-4201 extension 226 or via e-mail at dsmith@shieldalloy.com.

Sincerely,

David R. Smith
